

The most durable floor marking tape

SUPERIOR DURABILITY • EASY APPLICATION • HIGH VISIBILITY

Superior Durability

Spend less time replacing damaged or worn lines for a better looking, more efficient facility.

- Withstands forklift traffic without tearing or lifting
- Low profile design minimises tears and scratches from skids, pallet jacks, etc.
- Rugged polyester with ultra aggressive adhesive

High Visibility

Get the same visibility of painted floor markings – and pay less.

- High gloss surface shines like new paint
- Low-profile minimises debris build-up along the edges that occurs with thicker (extruded) floor tapes
- Surface resists marks and smudges and cleans up like new
- Available in a variety of high impact colours
- Ideal floor marking systems for **Lean Manufacturing environments**

Painless Removal

Easily remove floor markings without damaging the floor or leaving adhesive residue.

- Does not chip and flake when being removed – comes off in one piece
- Clean removal without any unsightly adhesive residue or damage to the floor
- Offers more flexibility in floor marking configuration, which is crucial in a Lean Environment.

Easy Application

Quickly lay down smooth, straight lines – without the help of co-workers.

- Can be easily applied by one person working alone
- Stiff polyester with liner prevents tape stretching and reduces wrinkles and wavy uneven lines
- No special floor preparation required – just clean with common detergents
- A demonstration on how to apply the tape is available on www.bradyeurope.com/toughstripe

Die-Cut Shapes

Use different shapes, colours and sizes for more effective, durable floor markings.

- Dashes, dots, arrows, footprints, and corner marks (L, T and + shapes)
- Dashes are highly recommended in areas where there is heavy forklift traffic
- Longer lasting markings – Minimises the risk of damage and facilitates fast repair
- **Selected dashes, dots and arrows are pre-spaced on transfer tape, making it incredibly easy to lay down straight evenly spaced lines**

Brady B-514 Floor Marking Polyester

ToughStripe™ Floor Marking products are made with Brady's new B-514 Polyester. ToughStripe products are ideal for marking aisles, passageways and storage locations, and pointing out important safety equipment and egress paths.

- 0.2 mm thickness
- Service temperature range of -18°C to 54°C
- Application conditions: min. 5°C, dry floor
- Recommended for indoor use and dry environment
- Resistant to harsh chemicals
- Exceeds safety standards for clean, dry non-slip surfaces per OSHA 1910.22

TOUGHSTRIPE Free Sample!

Try the most durable floor tape in your facility - risk free!

ToughStripe™ floor tape offers superior durability, easy application and high visibility. Plus, it's test-proven to withstand forklift traffic better than other tape-based floor marking products!

Toughstripe samples are available on request, in rolls or die-cut shapes. **Contact your local office below and get your sample for free!**

WHAT MAKES THE DIFFERENCE BETWEEN PAINT AND BRADY TOUGHSTRIPE PRODUCTS?

Standard Paint	Brady ToughStripe™ Floor Marking
<ul style="list-style-type: none"> • More durable • Can be applied to almost all surfaces • Indoor/outdoor use 	<ul style="list-style-type: none"> • Flexible - easy to replace • Suits to manufacturing, warehouse but also to administration premises • Removable in one piece • High gloss surface shines like new paint • Easy to clean • Ready made shapes

ToughStripe™ Floor Marking products are ideal for Lean environments
